

TechNova Pvt. Ltd. — Expense Policy

Fictional project knowledge source for the TechNova Office Assistant.

1. Business Expenses

Expenses must have a clear business purpose and should be reasonable and necessary for company work.

2. Receipts

Employees should retain itemized receipts for expenses and submit them through the approved expense process.

3. Corporate Card

Corporate cards should only be used for authorized business expenses and should not be used for personal purchases.

4. Expense Categories

Common categories include travel, accommodation, meals, local transportation, and approved business purchases.

5. Review

Finance may request additional documentation or clarification before approving an expense claim.
