

TechNova Pvt. Ltd. — Office Guidelines

Fictional project knowledge source for the TechNova Office Assistant.

1. Workplace Conduct

Employees should maintain a respectful, professional, and inclusive workplace environment.

2. Meeting Rooms

Meeting rooms should be booked through the approved calendar system and released when no longer required.

3. Common Areas

Employees should keep shared kitchens, lounges, and other common areas clean and usable for others.

4. Visitors

Visitors should follow reception and access procedures and should not enter restricted areas without authorization.

5. Facilities Issues

Facilities problems such as electrical issues, maintenance problems, or access concerns should be reported through the approved facilities channel.
