

TechNova Pvt. Ltd. — Travel Policy

Fictional project knowledge source for the TechNova Office Assistant.

1. Business Travel

Business travel must be related to an approved company activity such as a client meeting, conference, training, or business event.

2. Travel Approval

Employees should obtain manager approval before booking business travel. Where applicable, the cost center or project approval must also be recorded.

3. Air and Rail Travel

Economy-class air travel and standard rail travel are permitted for normal business trips. Premium travel requires prior management approval.

4. Accommodation

Employees may claim reasonable hotel accommodation expenses within the limits communicated by Finance. Original invoices or valid digital receipts should be retained.

5. Local Transport

Reasonable taxi, public transport, or approved local transportation expenses incurred for business purposes may be reimbursed with supporting receipts.
